A Providence, R. I., paper of Wednesday said:

Private John Gray, 30, of the Coast Artillery corps, R. I. N. G., was locked up at the Fourth street station last evening at 9 o'clock on a charge of discharging a revolver on Weybosset street. COL. A. C. TYLER'S DAUGHTER

ACTIVE IN RED CROSS WORK
Preparedness Time Reminder of Norwich—His Epitaph Tells the Story.

In starting Red Cross work in New London, Miss Edna Tyler was appointed chairman of a committee on permanent headquarters. Miss Tyler is a daughter of the late Col. Augustus Cleveland Tyler, her mother being Emma Osmond Tyler, daughter of the late Dr. Charles Osmond, of Norwich.

In all talk of preparedness of late, the inspiration of Colonel Tyler as manifested in Spanish war time, is missed.

This brave soldier now sleeps in Cedar Grove cemetery, New London, his grave marked by the little Grand Army flag, annual tribute of his comrades in arms. A massive granite Roman cross, fully 25 feet high, the name Tyler on its trinit base, has been erected in the family burial lot, which is enclosed by an ornamental hedge, with decorative shrubs and evergreens at the entrance.

The heavy granite archway over the grave is inscribed:

the grave is inscribed:
AUGUSTUS CLEVELAND TYLER,
Norwich, May 2, 1851
New London, Nov. 27, 1908
Class of 1873, U. S. M. A. West Point
First U. S. Cavalry, 1873-1878.
Colonel Third Conn. U. S. V., 1899-1899.

Sussman Family Reunion.

A reunion of the family of Mr. and Mrs. Samuel Sussman was held at their home at Mohegan on the afternoon of July Fourth. It was attended by their five sons, four of whom are well known in Norwich—Harrie, Sam Morris, Maxwell and Julius—and by their daughter Ella.

Two of the younger sons are graduates of Norwich Free Academy and are now filling responsible positions. Maxwell being engineer of the Cleveland, Ohio, Stone Works, and Julius secretary and general manager of the Mohegan Tube company, on Long Island.

An enjoyable afternoon was spent by the family, three of the sons leaving for New York on the evening train.

PREPAREDNESS PARADE PASSING THROUGH FRANKLIN SQUARE

The cut shows the Fourth of July preparedness parade passing through Franklin square on the return trip from Preston Bridge. The picture was taken very shortly after the start which was made at Bridgway at two o'clock sharp. The men carrying Old Glory were in the Bankers' division. The flag was one of the two largest in the parade. Both measured 25 by 30 feet and the other was carried by the patriotic girls in the division designated as Citizens from the Fifth District (Tartville). One of the prominent members of the committee when asked his opinion of the parade said that it was one of the most satisfactory parades ever held in the Rose of New England. This seems to be the opinion of the Norwich public in general.
